**This poha began as paddy in a farmer's field — not a factory.**

We go directly to farming communities, skip every unnecessary middleman, and ensure the grower is paid fairly for what they grow. Then we process it once, pack it fresh, and bring it to you.
**Sourced direct — no brokers, no compromise.**
Selected paddy from trusted growers who follow responsible farming practices.
Minimaly processed. No additives. No preservatives.
What you open is exactly what the farmer grew.
**Every pack you buy puts more money in a farmer's hands** — not a middleman's.
**Pure Gramin** — farm-direct, always.
Founded in India.

**Our best Dish : Masala Vegetable Peanut Poha**

**Step 1:** Rinse 1 cup thick poha and let it soften. Fry peanuts in oil and set aside. In the same pan, add mustard seeds, curry leaves, green chilli, and sauté onions.

**Step 2:** Add diced potatoes and cook till soft, then mix in peas and other veggies. Add turmeric and salt, then combine with the softened poha gently.

**Step 3:** Add back the peanuts, mix well, and finish with lemon juice and coriander for a filling, well-balanced poha meal.
